Return Reference	Explanation
Part I, Line 1a	Tax indemnification and gross-up payments-The organization provides tax indemnification where the BSW Holdings' CEO, COO or CFO determines there is justification to reimburse an individual for the tax impact on certain taxable, non-cash benefits provided to them. All tax indemnification payments provided are treated as taxable compensation. Twelve of the persons listed in the Form 990, Part VII, Section A, received this benefit during the tax year. Discretionary spending account-The organization provides eligible employees certain monthly expense allowances in lieu of reimbursement for actual expenses under the organization's business travel and expense reimbursement policy. This may include providing an auto expense allowance for business mileage for those who travel frequently in their personal vehicle or a cell phone allowance for individuals who are required to use their mobile phone for business purposes. All expense allowances are treated as taxable compensation. Twenty-two of the persons listed in the Form 990, Part VII, Section A, received these benefits during the tax year. Housing allowance or residence for personal use-The organization provides temporary housing to eligible employees under the organization's moving and relocation reimbursement policy. All temporary housing provided to any employee is treated as taxable compensation. Two of the persons listed in the Form 990, Part VII, Section A, received this benefit during the tax year. Health or social club dues or initiation fees-The organization may reimburse eligible employees for dues for a health club and/or a social club where there is a bona fide business need for the membership. For example, as part of the organization's promotion of health, the organization will cover a portion of any employees' fitness center club membership dues paid to an affiliated entity that owns and operates a fitness center. All employees are eligible for this benefit. Such reimbursements are treated as taxable compensation to the extent any part of the membership is used for personal use. Three of the persons listed in the Form 990, Part VII, Section A, received this benefit during the tax year.
Part I, Line 3	Process for determining compensation. The organization, a controlled affiliate of BSW Holdings, recognizes that those chosen to lead the organization are vital to its ongoing success and growth. Thus, it must attract, retain and engage the highest quality officers and key employees to lead the organization and help the organization maintain its national reputation for achieving high targets for medical quality, patient safety, and patient satisfaction. A significant portion of the organization's officers and key employees' total compensation is based on significant performance achievements. This strategy places a greater emphasis on the importance of the organization achieving targeted improvements in the areas of people, quality, patient satisfaction and financial stewardship, annually. Total executive compensation is part of an integrated talent management strategy developed by the BSW Holdings Board of Trustees and its Compensation Committee to attract, motivate, and retain the best leadership resources for the organization. Executive compensation is determined pursuant to guidelines outlined in the intermediate sanction rules under IRC Section 4958 including taking steps to meet the rebuttable presumption standard of reasonableness under Treasury Regulation 53.4958-6, as summarized below. When making compensation decisions, the organization compares itself to similarly-sized, and structured businesses including other integrated health care service systems and other similarly-sized organizations, both locally and nationally. Each year the BSW Holdings Board of Trustees and the Compensation Committee, on behalf of the organization through reserved powers held by BSW Holdings, works directly with an independent compensation expert(s) to identify reasonable and competitive market rates as well as provide an annual review of the total compensation of the organization's top management officials and other officers and key employees to ensure total compensation is within a fair market range. The annual review included management reviewing all officers and key employees listed on the Form 990 during the current tax year. Any individual whose direct compensation exceeded the projected compensation from prior year, any new individual whose position has not been reviewed by the Compensation Committee during the prior 2 years, or any individual whose responsibilities or scope of operations expanded during the current year were reviewed by the Compensation Committee during the current tax year. The Compensation Committee is made up of members of the BSW Holdings Board of Trustees, who are independent, community volunteers. Guided by the information provided by the independent compensation expert(s), the Compensation Committee approves the annual process and methodology for setting fair market salary ranges, earned incentives, and/or benefit offerings for the organization's President, other officers and/or key employees to be comparable to similar organizations for similar services and/or positions. Furthermore, the Compensation Committee is charged with the responsibility of reviewing annually the major elements of the executive compensation program to assure designs remain consistent with the business needs, market practices, and compensation philosophy. As part of the decision making process, the Compensation Committee will often meet in executive session to discuss and review recommendations made by the independent compensation expert(s). No officer or key employee whose compensation is being reviewed is present during these discussions. All decisions are properly documented in the minutes of the meetings.
Part I, Lines 4a-b	Severance or Change of Control Payments. Jennifer Coleman Stribling received a severance payment in the amount of \$321,224. Mark Teresi received a severance payment in the amount of \$89,239. Supplemental Nonqualified Retirement Plan. In order to recruit and retain key talent, BSW Holdings and certain tax exempt affiliates (BSWH) offers a supplemental non-qualified retirement plan to eligible employees. The plan provides an annual benefit (based on a percentage of compensation) to the employee that is paid to the employee on a future date upon vesting in the plan. The following individual(s) participated in and/or received payments (noted in parenthesis) from BSWH's supplemental non-qualified retirement plan during the tax year: Claudia Wilder (\$57,429), Clifford Fullerton, M D (\$32,787), David P. Ballard, M D (\$89,561), Dianne Grussendorf, Ernest Franklin, M D, Francis P. Anderson, Fred Savelsbergh (\$200,447), Gary Brock, Glen R. Also, select certain officers, as designated by BSW Holdings' governing body, are eligible to participate in a Long Term Incentive Plan that is designed to recognize the key senior leaders' value and contribution to BSWH as well as align their compensation to the long term strategy of BSWH. Performance targets are based upon a percentage of the participant's base salary and are developed by independent third party expert(s) using market competitive data within the guides of reasonableness. The plan is based on BSWH's three-year performance against its peers, determined based on peer rankings or percentile rankings in quality, patient satisfaction and financial performance. At the end of three years, awards are determined by BSW Holdings' governing body for participants. Payouts are partially made in cash and the remainder vests over an additional two year period. The following individual participated in and/or received payments (noted in parenthesis) from this plan during the tax year: David P. Ballard, M D (\$340,526), Fred Savelsbergh (\$425,997), Gary Brock (\$538,068), Glen R. Part I, Line 7	The organization has adopted and implemented BSW Holdings', the organization's ultimate parent, Annual Incentive Program to provide a market competitive total cash compensation incentive program that is designed to attract and retain key leaders and establish greater individual accountability and alignment to business performance. Payout targets are based upon a percentage of base pay and are developed by independent third party expert(s) using comparable market competitive data within the bounds of reasonableness and that are reviewed and approved by BSW Holdings' governing body. Payout levels are based upon a combination of system, entity, and individual performance using various metrics related to quality, patient satisfaction, employee retention, and financial stewardship. BSW Holdings' governing body may approve modifications to annual incentive awards provided under the program consistent with market comparability data.
